

Uploading photos for Mr. Fore's 20th Anniversary Celebration!

Hello Everyone!

Send us your pictures!!!!

We are in the process of creating a slideshow for the event and we need you to send us your memorable band photos!

Criteria:

- High resolution photos.
- If you are from the pre-digital photo era, it would be super helpful if your hard copies were already scanned.
- We are mostly looking for photos that Mr. Fore is in, but will happily accept photos of experiences you had as part of his band (e.g., trips, performances, etc.)
- If possible, please label photos with the month/season and year the photo was taken, and any additional information. (Trying our best to have the slideshow in chronological order)

Please upload your high resolution digital/scanned photos to our Flickr group. Instructions are as follows:

- Click on the following link to access the Flickr group - <https://www.flickr.com/groups/g420yrs>
- Log in with your existing Flickr account or create a new account (free)
- Click the **+ Join Group** button
- Read the Terms & Conditions and click the **I accept** button
- Click the **Add Photo** button to add photos - be sure to:
 - Add comments to your photo so we know a little about when, where, what & who is in the photo
 - Add Tags for the approximate season (i.e., Fall, Winter, Spring, Summer) and year (e.g., 2009, 2013) the photo was taken

Have questions or need to send hardcopies? Email Sue Daniels (alumni parent) at std0913@aol.com

We need to receive photos no later than December 6th.

Thank you for helping create a memorable celebration for Mr. Fore!
